

CODE 0500
APPROVED_____

SCHOOL DISTRICT ORGANIZATION

The Lauderdale County School System shall consist of such primary, elementary and high schools as the Board from time to time may authorize the superintendent to establish. The schools shall be designed to serve the educational needs of its citizens within the grades K-12. Special instruction beyond high school graduation shall not be developed.

Each school shall have a graded course of study that has been prescribed by the administration of the school system, subject to approval of the State Board of Education.
